

# We are looking for a Senior Javascript Developer

The 360 Code Lab will be part of the Austrian based 360 Lab (360-lab.com), which develops innovative products and services and optimizes existing business models for their market conformity. Due to the increasing need for software development within the myWorld ecosystem, an offshore development center will be opened in the heart of Warsaw in 2019 – the 360 Code Lab. The aim of the 360 Code Lab is to develop state of the art technologies and to make ideas become reality. True to the motto: "Be different in order to generate great results", dedicated technology enthusiasts, lateral thinkers and code poets will work together to master even the most complex technical challenges. In short, the 360 Code Lab will be a place where motivated developers will be working on cutting edge projects in a super modern office in the Warsaw Spire Tower.

## Main Activities

- The primary objective is to operate as a senior implementer and voice in a multinational team of senior JavaScript developers.

## Skill Requirements

- Minimum 4 years' experience working with Vue, vanilla JS and typescript. Strong JS API/SDK experience.
- Front End/Front-End/UI Developer experience- contributing towards standards, methodology, design, architecture
- Expert level JavaScript whether in React, Vue, Angular or any other framework (but especially Vue)
- Some ability, even if only small, in back-end or mobile development, e.g. Flutter, Swift, Kotlin, Node, C#, Python, C++ or any alternative

## Technical Requirements

- Technically strong OOP (one or more of kotlin, swift, java, objective C)
- Understands principles of Agile estimation
- A pragmatic attitude to delivery, able to balance deadlines with technical requirements and scope

We are burning to break new ground, break traditional thinking patterns and implement creative solutions. We are looking for people who want to shape our company and make a difference, and for whom a responsible, respectful togetherness is a matter of course. If you can identify with that, you're well on the way to starting a long-term career with a successful, internationally expanding company. Send your application and CV to: [office@360codelab.com](mailto:office@360codelab.com) or use the apply **button** below.
